Carnival Cruise Lines

"Carnival Liberty"

October 13 - 20, 2012

7 Night Sailing - Exotic Eastern Caribbean Cruise

Half Moon Cay, The Bahamas

Located on 55-acres of the 2,400-acre Little San Salvador Island, Half Moon Cay has been rated as "Best Private Island" by Porthole Cruise Magazine for the past four years. An international bird sanctuary in the Bahamas (only two percent of the island is developed), the beauty and serenity of Half Moon Cay is second-to-none. There are a variety of exciting and new activities to choose from while exploring this privately owned paradise. You can go horseback riding on the sand and through the surf, take a stingray adventure, visit the Half Moon Lagoon Aqua Park, hike a nature trail or simply relax in an air-conditioned, private beachfront cabana. Explore Half Moon Cay.

St. Thomas, Usvi

Pirates once roamed the alleys of this beautiful island, which is today besieged by a treasure trove of shopping options. But there's more to this shopper's Shangri-La than an international grab-bag of perfume and electronics. This U.S. Virgin Island also claims not only one of the world's most beautiful beaches - the heart-shaped Magens Bay - but a world-renowned golf course and simply spectacular nightlife. You can don a snorkel to explore coral reefs bright as a wildflower meadow, or take in the amazing views on a soaring aerial tram ride to Paradise Point. You'd be surprised at just how much of the above fits into just 32 square miles!

San Juan, Puerto Rico

Historic San Juan, once nothing more than cobblestone streets and the distinctive architecture of the Spanish who founded it, is now a modern world capital. Among the peaceful shaded courtyards and commanding colonial fortresses of El Morro and San Cristobal, you'll find a cosmopolitan city of wide boulevards, lively cafes, highly regarded galleries and designer boutiques. This is where the old world meets the new - and you can enjoy them both.

Grand Turk

Grand Turk is the largest of the Turks Islands, which are named after an indigenous cactus that actually looks like it's wearing a fez (the Turkish tassel hat). You won't find many fezzes on the island, as there simply aren't that many heads there to wear them! With a population of less than 4,000, what you will find is plenty of room to relax - or swim, dive or fish, and just the weather for doing it; the average temperature ranges from 80-90 degrees Fahrenheit, and a typical year in Grand Turk sees a full 350 days of sunshine. Check out Cockburn Town, featuring a wonderful selection of historical buildings and an unforgettable rustic charm. You'll also find many Colonial-style buildings and ruins, along with The Turks and Caicos National Museum. One of the main draws is diving, and Grand Turk's protected coral reef, which drops to 8,000 feet, is even close enough to shore for beach dives.

We would like to personally invite you to join us on this most exciting Eastern Caribbean Cruise aboard Carnival's - **Liberty!** We will be sailing from sail on Saturday, October 13, 2012 to Saturday, October 20, 2012.
